

DEPARTMENT OF CHEMISTRY

Details of books/monograph/ technical report etc. published in assessment years

- (i) Biogenesis of Natural Products, Baldev Kumar and **Harish Kumar**, ISBN No. 81-7319-693-1 (**2005**), Published by Narosa Publishing House Pvt. Ltd., New Delhi. [**International Edition** of this book has been published by **alpha Science International, Harrow, U.K.**].
- (ii) Engineering Chemistry: A Textbook, **Harish Kumar** and Anupama Parmar, ISBN No. 81-7319-784-9 (**2007**), Published by Narosa Publishing House Pvt. Ltd., New Delhi. [**International Edition** of this book has been published by **alpha Science International, Harrow, U.K.**, ISBN No. 1-84265-362-8].
- (iii) Food Chemistry, **Harish Kumar** and Parmjit S. Panesar, (**In press**), Published by Narosa Publishing House Pvt. Ltd., New Delhi. [**2009**]
- (iv) Enzymes in Food Processing: Fundamentals & Potential Applications, P. S. Panesar, S. S. Marwaha, Harish Kumar, (**In Press**), Published by IK International Pvt. Ltd., New Delhi. [**2009**]
- (v) **Comprehensive Engineering Chemistry**, Kataria Publication, Dr. Dhiraj Sud
