

INSTITUTE

Sant Longowal Institute of Engineering & Technology (SLIET) is a Deemed-to-be-University and a National level institute established by Government of India through Ministry of Human Resource Development. This Institute offers unique modular pattern of education in various branches of Engineering & Technology. The study programmes include various courses at Certificate, Diploma, Degree, M.Tech & Ph. D. levels. It caters to the technical manpower requirements at various levels by adopting a new concept of modular system in imparting technical education with emphasis on industrial training.

LOCATION

The Institute is located at Longowal and is connected by road with Sangrur (18 km), Barnala (30 km), Ludhiana (110 km), Chandigarh (150 km) and New Delhi (350 km). The nearest railway stations are Sangrur (18 km), Sunam (18 km), Barnala (30 km) and Dhuri (35 km). The nearest airport is at Chandigarh. The month of March is spring season and temperature ranges from 25^oC to 30^oC.

DEPTT. OF ELECTRONICS & COMMUNICATION ENGG.

At present, the Department offers Certificate, Diploma, Degree, M. Tech. and Ph. D courses in the discipline of Electronics & Communication Engineering. The faculty of the Department is highly qualified and actively involved in quality teaching and research. A number of research projects sponsored by different external agencies are also being undertaken vigorously.
