

INFORMATION ON WEBSITE AS PER UGC REQUIREMENT.

ESTATE DEPARTMENT:-

The Estate Department is responsible for the over all construction and maintenance of works be carried out through CPWD / NBCC and directly. The drawings, design, specifications and estimates all the works are properly scrutinized and approved before the works are allowed to be taken up execution. The quality, workmanship and general supervision in ensured during the course execution of the works. Besides, the Estate Department carried out the work of campus development i.e. plantation around buildings, along roads, pathways and boundary walls. In addition to plantation, the landscaping of the campus development of Buildings (Civil & Electrification) including maintenance of plants, trees, lawns, playgrounds and pathways is also being done by Estate department Building & Works Committee and Task Force are monitoring the construction activities. All the works sanctioned Phase-II have since been completed.
